

What is the name of the sculpture Louise Bourgeois created in 1985?

SimpleQA question · responses shown are Gemini 3.5 Flash · correct answer: The She-Fox

A Answer-only

“Articulated Lair”

a single confident answer; incorrect
(most common answer in 41 of 50 samples)

uncertainty is not shown to the user

B Answer-or-decline (penalty, $L = 3$)

“I don’t know.”

declines to answer; abstains in 50 of 50 samples
wrong answers would cost $-L$, so silence is safer

no candidates or probabilities are returned
